CURTAIN SELECTION

We want to make sure we make the BEST MATCH for every single window. For this reason, we cannot guarantee you will get your first curtain of choice. To help avoid disappointment, you may list up to THREE curtains in order of preference, and we will contact you soon after the closing down sale ends, to notify you about your success, and arrange installment in your home.

AGREEMENT

If I,, am successful in being chosen for any of the curtains I listed above, I agree to have the curtain displayed on a publicly visible window (as detailed above and discussed with P.D.A consultants Orsolya Bajusz and Laura Yuile) for the duration of Glasgow International Festival of Visual Art - from (and including) 20th April - 7th May. I understand that the curtains must be CLOSED (or displayed as wished by the artist - as detailed above) between the hours of and every day during this time period. If required, I agree that any GI visitor may enter my garden or grounds in order to view the curtain, and I agree to allowing a P.D.A consultant to come and install the curtain in my home, before the start of GI (time and date to be arranged by myself and P.D.A, after all curtains have been allocated windows). Details of my address will be published in the P.D.A extended GI map (along with the curtain details), and distributed to the public, to attract visitors to the window. My name and other personal details will NOT be published on the map.
